I feel like a little girl
Trying to conquer the whole wild world
Everybody wants a piece of me
And I just don't know where to run
I've got work piled up to my head
All I want to do is jump into bed
And wash away my troubles with lemonade
Play hide and seek with the boy next door
Take a trip to Singapore
And imagine how i'll make the world a better place

All I need is a good disguise
One where nobody can recognize
That I'm feeling so small
All I need is a secret weapon
I've gotta have faith
Zapping monsters into outer space
I'm gonna be a Superhero

Na-na-na-na...

If I were a little girl
Trying to clean up the whole wide world
I'd kick the bad boys back to school
Teach them fighting's just not cool
I'd give every kid a teddy bear
Turn starving people into millionaires
Break glass ceilings with dynamite
Sprinkle a little sugar and spice
Turn the bullies that terrorize
Into pink poodles that bark but don't bite

All I need is a good disguise
One where nobody can recognize
That I'm feeling so small
All I need is a secret weapon
I've gotta have faith
Zapping monsters into outer space
I'm gonna be a Superhero

Na-na-na-na...

Little Superhero Girl
Little Superhero Girl
Save me
Little Superhero Girl
Little Superhero Girl
Save me from myself

I feel like a little girl
Trying to conquer the whole wide world
