"On My Way"

I'm far away from what I've known
And there's static on the radio
Just a girl in a car on a lonely highway
I've been up and down this winding road
It's getting dark, the stores are closed
The map is wrinkled, my coffee's turned to grey

But I'm on my way, I'm on my way
There seems to be no end in sight
But I know I'll be alright
'Cos I'm on my way, I'm on my way
Sweet embrace, I'm on my way

So many beat-up cars on this dirt road
I see them sputter and start to choke
How many miles must I go till I rest in your grace?
I feel like giving up and letting go
Let the world invade my mind, my soul
Will this road make me a sinner or a saint?

But I'm on my way, I'm on my way
There seems to be no end in sight
But I know I'll be alright
'Cos I'm on my way, I'm on my way
Don't give up on me, I'm on my way

I can picture your smiling face
Your arms stretched to hold me
Waiting there by the gate
If I ever get lost, I know that you'll find me
There's a cross on a hill
Saying, "Do not be afraid"

I'm on my way
If I keep you in my sight
I know I'll be alright

'Cos I'm on my way, I'm on my way
There seems to be no end in sight
But I know I'll be alright
'Cos I'm on my way, I'm on my way

Don't give up on me, I'm on my way

I'm on my way
