Lillian, Lillian
Girl I met you just a night before
Will I see you again
I hope I get to know you well
Would it be alright
If I told you
I think you are beautiful
Lillian, when will I see you again?

Lillian, Lillian
Falling in love as the guitar plays
Pull back your long hair
So I can see into your eyes
Would it be alright
If I told you
I think you are beautiful
Lillian, when will I see you again?

Lillian, in my life
Lillian, by my side
Lillian, would you stay here for awhile

Summer day in the park
An evening in the cafe
Would it be alright
If I told you
I think you are beautiful
Lillian, when will I see you again?
