Cherioo, Cherioo bye bye
Cherioo it's too late to try
Cause I miss you in the morning
and I need you every night
Cherioo, Cherioo bye bye

Cherioo, Cherioo bye bye
I will never know the reason why
For a moment we were lovers
for a moment you were mine
Now it's over Cherioo bye bye

We were running wild
a misforgotten child
I saw you on the rooftop
your eyes were shining bright
Like a candle in the night

Was it only a game you played for fun
did you think you could fly
Just a memory remains as time goes by

Cherioo, Cherioo bye bye
Cherioo it's too late to try
There is nothing to forgive you
what is wrong or what is right
Cherioo, Cherioo bye bye

(solo)

Cherioo, Cherioo bye bye
Cherioo it's too late to cry
Cause I couldn't live without you
And you couldn't take the fight
Cherioo, Cherioo bye bye

Cherioo, Cherioo bye bye
Cherioo it's too late to try
I'm so lonely in the morning
and I miss you every night
Cherioo, Cherioo goodbye
Cherioo, Cherioo goodbye
