Outside of the strip mall
I feel confused
It's enough
I see all the fast lights
And the streets are a glow
I know confusion

Tell me what I wanna know
Bored beyond oblivion
Nothing I can do
Bored beyond oblivion
Tell me what to do
Bored beyond oblivion

It never ends
It's enough
Engulfed by displacement
I feel bemused
It's enough
Watching on the stable
Where the screams are a glow
I know confusion

Tell me what I wanna know
Bored beyond oblivion
Nothing I can do
Bored beyond oblivion
Tell me what to do
Bored beyond oblivion
Nothing I can do
