Well I'm feelin left behind, lord what a way to start time
They're gonna get you, run on
How can I respect your crime
When all you criminals whine
They bought and sold you, run on, run on... yeah

Well you can call me crazy
Uh-you can call me wrong, cuz
See I was born a liar, albatross
Fly on, fly on

My home is kind, man it pays to be blind
Well I promise to forget you, run on, yeah
No swallowed pride, no conspiracy lie
Oh, broken promise of virtue, run on, lord, run on...

Well you can call me lazy
But I know where I belong, cuz
Cuz I was born a liar, albatross
Fly on, fly on... with your trust in love
From your god above... ha-ha!

Oooo, I believe... the albatross

Well you can call me crazy
Uh-you can call me wrong, cuz
See I was born a liar, albatross
Fly on, fly on

I should have seen the signs
Now the memories far behind
It was no big loss, fly on albatross... Yeah

Fly on!

Fly on!

Albatross!

Yeah!

Fly on...

Fly on...
