You're dead

Heard too much, know too much  
Don't know if I can take it  
If the system had one neck  
You know I'd gladly break it

They've got us where they want us  
Stuck in this sick romance  
They need no chain, it's in our brain  
And we don't stand a chance

If we keep doing this deadly dance  
End this sick romance  
The dance of the dead  
It's all in my head

Know the deal, the way we feel  
Those of us who care  
Constant pain, the endless rain  
Becomes too much to bear

Feel the need to concede  
Pretend it's all okay  
But the horror, today, tomorrow  
Will never ever go away

If you give in to the deadly dance  
You've got to take that chance  
The dance of the dead  
It's all in your head

Ain't got the time or peace of mind  
To deal with the likes of you  
Your narrow views, your two-bit moves  
Just tell me that you're through

You're dead  
You're dead  
You're dead

Don't give in, live the sin

Let them see the sight  
There's no answer in the end  
Live free, fall or fight

Keep in mind, that you'll find  
Them standing in the way  
Run them down to the ground  
Make the guilty pay

And there'll be no more deadly dance  
End their idiot prance  
The dance of the dead  
It's all in their heads

The dance of the dead  
The dance of the dead

Dead
