Some wonder, some filter, some trip to pass the time
Just ask him and he'll tell you ain't nothing better than a
desperate mind

I'm in love with a widow soon to be, I don't think I can
fight it
Anthems brake and it's spinning 'round again,
I stay dizzy 'cause I like it

You can have it if you want it, just remember it's a
lonely ride
Ain't that hard to fight

Kickin' hard time, they split you to the bone. Kickin'
hard time, risin'

Home is your destination, do you think you can find it
Feelin' green once again, downtown you go, diablo is
rising

You can have it if you want it, just remember it's a
lonely ride
Ain't that hard to fight
Kickin' hard time, they split you to the bone. Kickin'
hard time, risin'

Some wonder, some filter, some trip to pass the time
Just asked him and he will tell you there is nothing
better than a deperate mind

Diablo, talk to me, tell me what's on your mind
I can't boy it unraveled, I only wish I'd seen the signs

Kickin' hard time, kickin' hard time, risin'

Once so magnetic but you do it so poetic
And you lay it on the line and singin' kickin' hard time,
it ain't that hard to find

Kickin' hard time, they split you to the bone. Kickin'
hard time, risin'
