rock

Well I've been huntin on the I-10 with Jesus for a liar  
and watched an ancient man deal a gun to retire  
I've seen the wall fall down and crush the old  
so now everybody's hungry but they'd rather be cold

Let it go, let it go,  
let it go before we lose it all

in time what's deserved always gets served  
cause we stick therefore we can  
cause we stick therefore we can  
cause we stick therefore we can

breakdown, endtime  
hey fool haven't you heard?  
Heaven's not overflowing

and I've been to a seance for the Ku Klux Klan  
I've seen a brotha kill another with his own bare hands  
I've seen the rising son fall in his mother's eyes  
and now the cop's got a metal but he calls it a prize

whoa let it go, let it go,  
let it go before we lose it all

in time what's deserved always gets served  
cause we stick therefore we can  
cause we stick therefore we can  
cause we stick therefore we can

breakdown, endtime  
hey fool haven't you heard?  
Heaven's not overflowing  
Heaven's not overflowing

you know the rules only apply on the witness stand  
and that you never get in trouble if you stick with your  
plan  
that's why I'm livin for the day like a necromancer

cause when you go you're gone, take the pain  
backstabber  
whoa stick me

Let it go, let it go,  
let it go before we lose it all

in time what's deserved always gets served  
oh yeah

Stick me
