Saw the news today, some D.C. suit tryin' to break away
Said, "He lost another million"
Just another old man tryin' to pass the buck with his
dirty hand
Good thing he knows his bible

Stick his ass in hell, even better in this tiny cell
Make him understand the meanin' of these words they
try to preach
Just to keep them out of the nation's reach
I guess it's all for the better

Take it all away, take me
Won't you take me far away?

Hey, hey, hey what's that game you play
Will it make me richer?
'Cause I do not have a dime and I hate to waste your
time
Maybe I'm wrong but I think this whip is too long, whip
too

Now I was barely 21 layin' in a ditch with a loaded gun
So I gave my heart away
But I got it back today in a velvet box stamped U.S.A.
Now all the neighbors call me hero, hero

Goin' to lose my mind so I buckled down and did some
crime
But it wasn't what they taught me
Hit the road in high pursuit now I'm on the run just like a
suit
Didn't know it was this easy

Take it all away, take me
Won't you take me far away?

Hey, hey, hey what's that game you play
Will it make me a poor man?
'Cause I got an extra dime but I lose it every time
Maybe I'm wrong but I think this whip is too long

Hey, hey, hey what's that game you play
Will it make me richer?
'Cause I do not have a dime and I hate to waste your
time
Maybe I'm wrong but I think this whip is too long

No more, no more
See I can't seein' to find the time to crawl across the
line
But I can't stay here
No more, no more
See I can't seein' to find the time to crawl across the
line
But I can't stay here till I die
