Rain, sleepless rain is comin' down again  
It's the same, same, same just like you know when  
Yes I do

Oh, it's floodin' in the holy land  
Oh, I'm drownin' like a workin' man  
Oh, but there is nowhere else that I would rather be  
One more time if you were mine  
If you were mine, if you were mine  
Over me, rain or shine, I'd be satisfied

Blame, burnin' blame is underneath my skin  
Such a shame, shame, shame, I wish I knew it then  
Yes I do, yes I do

Oh, sing another lullaby  
Oh, I think we need an alibi  
Oh, but there is nowhere else that I would rather be  
One more time if you were mine  
If you were mine, if you were mine  
Over me, rain or shine, I'd be satisfied yeah

Rain, tired rain slowin' down again.  
But the pain doesn't feel the same like I remember then  
Yes I do, yes I do

Oh, it's floodin' in the holy land  
Oh, I'm drownin' like a workin' man  
Oh, but there is nowhere else that I would rather be  
One more time if you were mine  
If you were mine, if you were mine  
Over me, rain or shine  
I, I'd be satisfied  
I, I'd be satisfied  
I, I'd be satisfied  
I, I'd be satisfied

You'd be over me, over me  
You'd be over me, over me  
You'd be over me, over me, yeah  
One more time
