Burning Tree, Blackened Sky - This Land God Forsaken  
A Thousand Men Prepare To Die - Their Spirit Long  
Been Broken  
In Misery, Hear Their Cry - Mouths Hang Wide Open  
Flashing Steel, Hot Lead - The White Man Has Spoken  
Painted Smiling Face  
Pockets Filled, Lust Fulfilled -- The Butchered Knew No  
Mercy  
Painted Smiling Face

Blind Eyes, Closed Hearts - They Do Not Remember  
Brutal Past From The Start - No Justice Now Forever  
Humankind Is But A Part Yet They Find No Answer  
Harmony Is The Art These Men Refuse To Master  
Painted Smiling Face  
Its Clear, The End Is Near - This Path Leads To Nowhere  
Painted Smiling Face  
Yeah, I See You  
See Right Through You  
And I Hear You  
But Your Words Will Never Ring True  
My Mind Is Clearer Now  
At Last I Can See All Too Well  
Decieving Shades Are Wearing Thin  
Humankind Prefers Living In Hell  
Painted Smiling Face
