I remember you, seems like yesterday  
Do you remember me, I got lost on the way  
Wrong muddy road is nothing new  
We stand, but this rivers washing through  
River rise from tear drops without warning  
Float away while flooding yesterday  
I'll be gone, I won't be back by mourning  
So rise river rise  
Wash this place away  
Clean my dirty soul  
So I can save it  
For judgement day  
This place will bring you down more than you'll ever  
know  
Now it's do or die, I think it time ago  
If you feel this pain, you can stay  
I'll fly never liked it anyway  
Son of a morning star  
River rise from tear drops without warning  
Float away while flooding yesterday  
I'll be gone, won't be here in the morning  
So rise river rise  
Wash this place away  
Clean my dirty soul  
So I can save it  
For Judgement Day
