You come to our town, and walk down our streets
You look like a scum from your head to your feet
You believe "white power", you say "white pride"
We'll make you wish you stayed inside
Say your a skinhead, we know it's not true
You're just a fucking bonehead, and we're after you
When we first saw you, ya gotta boot to the head
Next thing you know you're gonna end up dead
Cuz we don't fuck around

We don't fuck around!!
We don't fuck around!!
We don't fuck around!!
We don't fuck around!!

Just you try talk shit
Say it to our face and you're gonna get it
You act real hard to our face
It was your blood that spilt that day
Ain't so tough when you get hit
Sending us e-mails and talking shit
Next time we see you it's no hello
Just to your face with a deadly blow
Cuz we don't fuck around

We don't fuck around!!
We don't fuck around!!
We don't fuck around!!
We don't fuck around!!

You come to our town, and walk down our streets
You look like a scum from your head to your feet
You believe "white power", you say "white pride"
We'll make you wish you stayed inside
Say your a skinhead, we know it's not true
You're just a fucking bonehead, and we're after you
When we first saw you, ya gotta boot to the head
Next thing you know you're gonna end up dead
Cuz we don't fuck around

We don't fuck around!!
We don't fuck around!!

We don't fuck around!!
We don't fuck around!!
