The silent suffocation
Ends the pain and misery
So
Relieving
The final mile of a worn out life

Clench your teeth
Get up from
Your knees
... cause when your coughing
You know your still alive

I am the
Air that you are breathing
I fill your lungs with nails and daggers

I... ll
Need you to hate
For the hatred fullfills my needs

(Chorus)
I am on the
Mend from being
Lost inside my suffering
Gathering all missing pieces
For
The brighter tomorrow begins

Lungs filled with nails and daggers

All you
Stand for
Is up against
Everything that
I respect

I... m sick
Of
Waiting
For the end of your life
To beging

(Chorus)
I am on the mend from
Being
Lost inside my suffering
Gathering all missing pieces
For the brighter
Tomorrow begins

I... Il make you alike
The rest of the wasted souls
Your
Beauty so flawless
Is to come down
