Hold me
I'm flying low and hitting to
The bottom
Save me
Save me when I lose reality
Stop me from going all the
Way

Keep me
Keep me sane when I appear to lose it
Love me
Though I'm not
Worth trying no denying
Impossible to keep you holding on

Bring me up
And
I'll let you down
Again and again and again
Lift me high
And I'll drag you
Low
Forget about yourself
And let me
Feel I am irreplaceable

Rock me in
A cradle
Keep away the outside world
Treat me with a feather
Don't let
Anyone get hurt
You've got to save me
Save me from the outside world

Bring
Me up
And I'll let you down
Again and again and again
Lift me high
And
I'll drag you low

Forget about yourself
And let me
Feel I am
Irreplaceable

Hold me
Save me
Love me

Keep away the outside
World
Don't let anyone get hurt
When I'm anxious, calm me down
Save me from
The outside world
