Hey you survived another new years day
And all your wishes and hopes are
Written down on a piece of paper
Hey what else can go wrong this year
After loosing control over everything precious
I?m stuck to a black balloon

Pick up a suitcase
What else can i do
I?m leaving tomorrow
All the luck in the world
Won?t make you happy

Hey time is measured in seconds
It only takes two to forget what to do

Pick up a suitcase
What else can i do
I?m leaving tomorrow
All the luck in the world
Won?t make you happy
