To pick up a car and drive away  
Through night and day/wind and rain  
Decide which way to take  
there?s no more feeling safe

Is it over /:  
You can have it if you want/:

So let?s take another way  
To burn down your house and leave no trace  
The wind will find you at any place  
Decide which road to take  
There?s no more feeling safe

Is it over/:  
You can have it if you want/:

All i need is morning with sunshine  
All i need is a race without a clock  
All i need is a morning with sunshine

Is it over/:
