Visit "[Lay Your Head On](#)" on MotoLyrics.com

You can lay your head on
Lay your head on my shoulder
You can lay your head on

Is it comfortable-reliable
Good to know your around

You can lay your head on
Lay your head on my shoulder
You can lay your head on

Is it suitable- personal
Good to know your around

She stared at me - my mind was in a maze
She moved her mouth but there was no sound
I am covered with sand
Like to breathe but i can?t

You can lay your head on
Lay your head on my shoulder
You can lay your head on
