i'm giving up i fall asleep
once in a while awakening
i try to think what have i missed
nothing worth remembering
the weakness hurts it?s on my side
i chose to go for what i like
a short delight and now it?s gone
i want to hide i want to hide
i give you all if you request
all i wish is no regrets
no one ever can replace
the love you gave the love you gave
the weakness hurts it?s on my side
i chose to go for what i like
a short delight and now it?s gone
i want to hide i want to hide
