Now you know you ain't alone girl
I'm here to ride wit chu
Never leave your side
We gone grind til the night thru

Every night
Time isn't runnin' away
'Cuz we got enough money
We can bribe it to stay, so 1, 2

That's how we move down the avenue
You too better act a fool like an animal
So tell me what you really need 'cuz I'ma get right here
Then I'ma keep it moving for real

Now wait a minute, just stop, baby
I got this feelin' 'bout you
Neva did I think it would come to this

No, see I've been good on my own
But I need some time to show it
If I get my crew do what we do
At the club, yeah

I don't always wanna get hit on
You can say my game's a ten but
You got me up on some chillish
My boys are outside waitin' on me, yeah

We can do whateva
You bring your girls and I'll call the fellas
Get, get straight to it
That's how we do it for real, yeah

Ain't no stressin', no
Got my girls and I'm gonna keep it
Moving it like, oh
Hit the floor and run it

Ain't no stressin', no
It's what eva, handle it
Keep moving on the floor

Do your thing and run it

So you know I like your style girl
That's why I talk to ya
Like the way you are
But I'm not gonna bother ya

I'm not sweatin', no I'm, I'm not stressin'
You could drop it to the floor
Run it back, who could guess it, we could sell it
How it really is

You bring the girls, I got the fellas in
And we can take it to tele then
Or not, 'cuz wit a game like this
I keep the girls on a train
So I can keep it moving for real

See all these girls around me
It's so crazy that you found me
I'm not tryin' to stay away from ya
But I ain't tryin' to be all on ya

Boy that's so crazy, 'cuz I
Do my thing, ain't worried 'bout cha
After this night is ova
Probably wouldn't be talkin' to ya

I'm the one who usually plays them
You can say my game's a ten girl
I thought you was on some chillish
You don't have to be so serious

We can do what eva
You bring your girls and I'll call the fellas
Get, get straight to it
And keep it movin' for real, yeah

Ain't no stressin', no
Got my girls and I'm gonna keep it
Moving it like, oh
Hit the floor and run it

Ain't no stressin', no
It's whateva, handle it
Keep movin' on the floor
Do your thing and run it

Boy, let's be about it, we can be about it
Ain't no stressin' 'bout it
Keep it movin', oh, the feeling's right

Take this moment to unwind

Let it go
It doesn't matter
No matter what we do is
But I want you to do it, oh, oh

Well, you can [Incomprehensible] up top
When we cruise on the strip
Black tint, no seein' who's in the whip
See they don't know the way

We be stressin' out on the stage
Rollin wit the party
Lets take it out in the rain, oh yeah

You know we like it like that
Walk up in the club when we run free to tag
See all eyes move when they screamin' for me
It's like tonight you'll be need, so I'ma keep it movin' for
real

Ain't no stressin' no
It's what eva, handle it
Keep moving, hit the floor

Ain't no stressin', no
Got my girls and I'm gonna keep it
Moving, oh
Do your thing and run it
