Someone else is in my mind...
Looking for another place to be...
I believe in you that way...
By now...

Lady Valentine
Makes up your mind
All night...
All night...

For no reason why
Makes you a sign
All night...
All night...

I know...
I know...

I belong to happiness
Far away my loneliness
Looking for another place to be

What will be will be
Casanova
All night...
All night...

Che sera, sera
Casanova
All night...
All night...

In my mind
In my heart
In my soul

In a while
By my side
All alone

Time after time
I believe in you...

All over the pretty days
I believe in you that way
Love is all the thing I need
By now...

Lady Valentine
Makes up your mind
All night..
All night..

For no reason why
Makes you a sign
All night..
All night..
