Hoy te encuentras  
Contemplando a tu existir  
Me has mandado  
Cartas pa sobrevivir  
De lo que hablas  
Te estropearon la razon  
No me escribas  
Asi es mejor Eah!

Si me miras  
Amarrado a tu pared  
No hagas caso  
Es mi sombra quiere ver  
Tus misterios  
Que halagaron mi armazon  
Ahora secos  
Viven sin voz

Just like you said  
My friend  
It's hard to understand  
And now your vapid lies  
Surface to the light  
And now I stand in line  
Wishing I could cry  
You broke my heart and soul  
Miss you  
Live your fate  
Goodbye

Si tu vida  
Se enredo en su porvenir  
Dame un beso  
Y dile lo que nunca fui  
Tus recuerdos  
Me cegaron con placer  
Con cenizas  
Muero de sed

Just like you said  
My friend  
It's hard to understand

And now your vapid lies  
Surface to the light  
And now I stand in line  
Wishing I could cry  
You broke my heart and soul  
Miss you  
Live your fate  
Goodbye

Arde el corazon, arde, arde el corazon, arde, arde el  
corazon  
Arde el corazon, arde, arde el corazon, arde, arde el  
corazon  
Arde el corazon, arde, arde el corazon, arde, arde el  
corazon  
Arde el corazon, arde, arde el corazon, arde,  
ardeeeeeeeeeeee!

Just like you said  
My friend  
It's hard to understand  
And now your vapid lies  
Surface to the light  
And now I stand in line  
Wishing I could cry  
You broke my heart and soul  
Miss you  
Live your fate  
Goodbye

Goodnight

Hoy te encuentras  
Hoy te quiero  
Hoy te espero  
Hoy me muero
