When I'm looking at you, I keep thinkin'
Why can't she be like you, so I'm scheming
I can't go through this, believing that her love is true
Standing on the dance floor, while she's trickin' me

You are all I want, girl, she's a chicken
We might be together but love is missing
Girl, I want you, so what can we do?

Girl, if it's alright
Let's go somewhere and get it on tonight
You shouldn't have to be alone tonight
It's one on one tonight, tonight

Now she's lookin' at me but keep talkin'
Oh, now she's tryin' to ice you, let's start
walkin'
Over on the dance floor, it's her fault
But what can she do? Tell me baby

Girl, if you're ready
I'm ready
We can get it on
We can get it on
I know where I went wrong
She's where you went wrong
With you is where I belong

Girl, if I could find the words to say
I've gotta get away from a love
That kills me everyday, I'd gladly say to you

Girl, if it's alright
Let's go somewhere and get it on tonight
You shouldn't have to be alone tonight
It's one on one tonight, tonight
