#### Verse 1

Here we are again  
In this bed again  
Making love again  
Afraid to let it end  
The sex seems better when  
We've had an argument  
But you're not leaving, and I'm not leaving  
So let's do what we came to do  
Even though last night

#### Chorus

We said it was over  
But we're here tonite  
Just getting started  
It's possible  
We're break up again in the morning  
So turn it up  
Press rewind  
Let's get it on  
One last time

#### Verse 2

So we kissed and said goodnite

Then a little time went by

You found somebody new,

We'll I'm seeing someone too

But she can't take the place of you

And our arguments and fights

'Cuz our breakin' up

And our makin' up

Has made some unforgettable nights

Repeat Chorus 2X

Bridge

Lying in my arms

The calm after the storm

When the tears fall

The music can drown out the sound of you crying

It's hard to be just friends

It'll probably hurt again

So let's just pretend,

We're still in love

Solo

Vamp Chorus
