Oh ooh wee oh oh

When I'm looking at you

I keep thinking

Why can't she be like you

So I'm scheming

I can't go on like this

Believing that her love is true oh

Standing on the dance floor

While she's trickin'

You are all I want girl

She's a chicken

We might be together but love is missing

Girl I want you so what can we do oh

1 Girl if it's alright

Let's go somewhere and get it on tonight

I got a girl but you look good tonight

It's one on one tonight, tonight

Girl if it's alright

Let's go somewhere and get it on tonight

You shouldn't have to be alone tonight

It's one on one tonight, tonight

Now she's looking at me

But keep talking

Oh now she's trying to ice you

Let's start walking

Over on the dance floor

It's her fault but what can she do?

Tell me baby, yeah

Girl if you're ready (I'm ready)

We can get it on (we can get it on)

I know that I've been wrong (she's where you were
born)

But here is where I belong, belong

If I can find the words to say

I gotta get away from a love that kills me everyday

I wanna hear ya say

Repeat 1

Ooh, whoa, whoa, whoa

Repeat 1
