Clouds rolling by
Way up high
Sometimes i wonder
If you're up there
In the clouds

When it rains
Skies are gray
Is that you crying?
Up there somewhere
In the clouds

How i hate sunny days
Nothing but empty, blue skies
So i pray oh how i pray
For clouds

Taking shape
I swear sometimes
I can almost see your face
Somewhere up there
In the clouds

Sometimes
On a plane
I feel like I'm with you
Just hanging out

Somewhere
Up there
In the clouds
Rollin by
Way up high
Where the angels fly
Yes, I miss you down here
But I'll see you up there
In the clouds
In the clouds

Yes, I miss you down here
But I'll see you up there

In the clouds
