My brother shot a man for breakin' in at 3AM
No time for questions, he was just protectin', his family
That thief hit the wrong street
Some may not agree and that's their right, but I believe
In what was written, in what was given, a long time ago
For those who wanna know
Am I proud of where I'm from?
How I was raised, my daddy's ways in this country that I
love
Am I proud that all I see?
Is black and white, wrong or right and there ain't no
changing me
Am I proud of where I stand?
Damn right I am.
At the airport today I met a soldier on his way
Back home to Denver, he had just been injured

Defending me, talked a while then I told him he
Was in my prayers, and I thought right then and there
Am I proud of where I'm from?
How I was raised, my daddy's ways in this country that I
love
Am I proud that all I see?
Is black and white, wrong or right and there ain't no
changing me
Am I proud of where I stand?
Damn right I am.
Am I proud of where I'm from?
How I was raised, my daddy's ways in this country that I
love
Am I proud that all I see?
Is black and white, wrong or right and there ain't no
changing me
Am I proud of where I stand?
Am I proud of who I am?
You damn right I am.
Damn right I am.
Damn right I am.
