(Eddie)

Hey

Sit down!!!

You ain't leavin' yet, we're not done!

There's a workin' man

With a hell of a plan

Tackle your each and every day

He goes off to work

In his flannel shirt

Preachin' to the whole US of A

Listen up and you can hear him say

(Troy)

Get it while the gettin's good

Know damn well that you should

But you keep sittin' there on your ass

Just do it while the time is right

Man this is one short life

Wait to long and you might miss your chance

If you walk too slow you gotta learn how to run

All we're tryin' to say is Git-R-Done!!!

(Eddie)

(haha)

See 'at boy's got followers

Who all vary his words

On bumper stickers stuck to their trucks and cars

He went from analogies on prime-time TV

To what?!!

Now he's a big movie star

Hell, thats funny

I don't care who you are

(Troy)

Get it while the gettin's good

Know damn well that you should

But you keep sittin' there on your ass

Just do it while the time is right

Man this is one short life

Wait to long and you might miss your chance

If you walk too slow you gotta learn how to run

Yeah, Git-R-Done!!!

(Eddie)

There's all them times you procrastinate  
Like mowin' the grass and losin' weight  
And draggin' your sister away from the buffet line  
And you need that time at the girly bars  
Drinkin' beer and watchin' NASCAR  
So don't let another minute pass you by  
Just do what Larry does  
Say Lord, I apologize

(Troy)

Get up off your lazy ass  
This world is turnin' mighty fast  
Hunker down and yank yer britches up  
Get it while the gettin's good  
Know damn well that you should  
Little piece of life just ain't enough  
Get it while the gettin's good  
Git-R-Done!!!  
Know damn well that you should  
Get it while the time is right  
Git-R-Done!!!  
Man this is one short life
