I'm a total stranger to a three piece suit
I'm more... to jeans and boots
I'm a hard days work to an achin' back
I am a promise of a callous to both these hands... I wear
a lot of hats
I'm a walk in the park to an Irish Setter
A stamp of approval- write mom a letter
A weekend coach from my QuarterBack chair
My faith hangs on this cross I wear.
I'm a lot of things to a lot of things
Not always a winner, a loser I ain't
I'm a full time sinner, part time saint
And I aint' afraid of fear if it makes me a better man
God knows who I am
I'm a husband, a brother, a father a son
A slap on the back, a handshake, a hug
A safe place to land when she needs a shoulder
And I'm all arms when she wants me to hold her
I'm a lot of things to a lot of things.
Not always a winner a loser I ain't
I'm a full time sinner, part time saint
And I aint' afraid of fear
If it makes me a better man
God knows who I am
I try to start and end every day making a little time to
pray
One on one with the Man
'Cos from my knees I know where I stand
And I thank God... God knows who I am

I'm a lot of things to a lot of things.
Not always a winner a loser I ain't
I'm a full time sinner, part time saint
And I aint' afraid of fear
If it makes me a better man
Yes, God knows who I am
