I've been living on truck stop coffee
Cigarettes and vitamin C
It's a wonder that the devil ain't caught me
I guess he's tired of playing hide and seek
Been driving like I been struck by lightning
I think about you and I start to speed
I might as well be playing with matches
In a trailer load of gasoline

If it's the last thing I do
If it takes me from Tubilo to Timbuktu
If it's the last thing I do
I'm gonna dodge every road block, speed trap, county
cop
To get my hands on you
If it's the last thing I do

A box of chicken and a day old biscuit
Ain't nothing left but a few old bones
I outta stop but I'm gonna risk it
Caffeine got me chewing styrofoam
Girl, I'm calling outta Kansas City
From a fillin-station telephone

Just had to tell ya what I've been thinkin'
First thing I wanna do when I get home

If it's the last thing I do
If it takes me from Tubilo to Timbuktu
If it's the last thing I do
I'm gonna dodge every road block, speed trap, county
cop
To get my hands on you
If it's the last thing I do

Been driving like I been struck by lightning
I think about you and I start to speed
I might as well be playing with matches
In a trailer load of gasoline

If it's the last thing I do
If it takes me from Tubilo to Timbuktu

If it's the last thing I do
I'm gonna dodge every road block, speed trap, county
cop
To get my hands on you
If it's the last thing I do
If it's the last thing I do
If it's the last thing I do
