Every mornin' when I get up
I jet fuel in a coffee cup
Lord knows I ain't givin' up
Gonna take on the world today

Sometimes, it's green, green, grass
Other times, it kicks my ass
Half full, half empty glass
Don't matter either way

I'm gonna live the life
That I'm gonna live
It ain't what I thought it was
But it is what it is

Baby, this ain't no rodeo
No dog and pony show
Ain't no roller coaster ride
Ain't no highway
Sure ain't no river, baby
It's just my so called
Just my so called life

Some days, I own this town
Other days, it shoots me down
As long as I'm still hangin' 'round
I'm holdin' on to hope

Faith is a powerful thing
Chasin' after the big brass ring
Might be a pocketful of jing-a-ling
But there's one thing that I know

You just gotta keep keepin' on
Doin' like you do
Look around when it's said and done
Realize that it's true

Baby, this ain't no rodeo
No dog and pony show
Ain't no roller coaster ride
Ain't no highway

Sure ain't no river, baby
It's just my so called
Just my so called life

My so called

This ain't no rodeo
No dog and pony show
Ain't no roller coaster ride
Ain't no highway
Sure ain't no river, baby
It's just my so called
Just my so called life

My so called
