Well, I don't go out all the time  
What kinda fool do you think I am?  
But a rowdy Wednesday nighter  
Ain't really somethin' you can plan

Gotta be at work by 7, that's right  
I should be gettin' home, that's right  
I used to do this all the time  
But now I really don't

I pick my parties that's what I do  
I wish that I could hit 'em all  
But I've got to pick and choose

I'd be pushin' up daisies  
If I did it every day of the week  
So I pick my parties  
Oh, but sometimes they pick me

Good ones always happen  
At the most inconvenient time  
But once it gets a goin' and is rollin'  
Ain't no slowin' down the night, oh  
come on!

That ole' sun might be risin'  
Fore I get to bed  
But I make sure it's always  
With the poundin' in my head

I pick my parties that's what I do  
I wish that I could hit 'em all  
But you got to pick and choose

I'd be pushin' up daisies  
If I did it every day of the week  
So I pick my parties  
Oh, but sometimes they pick me

And if I'm gonna do it  
I'm gonna do it right  
Yeah, if I'm goin' out

I'm goin' out all night

We pick our parties that's what we do  
We wish that we could hit 'em all  
But we've got to pick and choose

We'd be pushin' up daisies  
If we did it every day of the week  
So I pick my parties  
Oh, but sometimes

I pick my parties  
Oh, but sometimes  
We pick our parties  
Oh, but sometimes they pick Toby, T and me

How do like us now, baby?
