Running through, I'm running through, these lands  
spread far apart.

Is it love? Is it, is it love, when heroes risk it all?

Is it true? Is it really true, there's a doubt set in her  
heart?

This love, this burning love could make this hero fall.

And it's not enough, is it not enough (possibly),  
When you're dying for your love, dying for your love  
(beautifully)?

And hoping is a crutch, hoping is a crutch (wait and  
we'll see).

But until then,

I will not give up I'll make it through tonight.

Will you stay strong? Stay with me through the fight?

If the will's strong. You can not lose sight of what we  
wanted to be.

But if you do, just know you've got me. You've got me.

She's castle bound, restricted from the sounds,  
That assure her I'm ok.

To persevere means I'm getting near.

A kiss means I've survived.

And it's not enough, is it not enough (possibly),  
When you're dying for your love, dying for your love  
(beautifully)?

And hoping is a crutch, hoping is a crutch (wait and  
we'll see).

But until then,

I will not give up I'll make it through tonight.

Will you stay strong? Stay with me through the fight?

If the will's strong. You can not lose sight of what we  
wanted to be.

But if you do, just know you've got me. You've got me.

AN ANGEL WILL TELL YOU, MY PRINCESS, "TRIUMPHS  
LIE IN FAITH"

I will not give up I'll make it through tonight.

Will you stay strong? Stay with me through the fight?  
If the will's strong. You can not lose sight of what we  
wanted to be.  
But if you do, just know you've got me. You've got me.

And it's not enough, is it not enough (possibly),  
When you're dying for your love, dying for your love  
(beautifully)?  
And hoping is a crutch, hoping is a crutch (wait and  
we'll see).  
But until then
