Polished is what I've been for years,
A needed revolution to bring some tears.
And if you just break me,
It'll all be over, all over. It's over (it's over).

Faced now with something that's so surreal.
BOXED IN, THERE'S A LACK OF ALL DETAIL.
And I'm just stayin here for a while.

A need to bleed.
A need to hurt inside.
Forgive this and bring back my--

Am I sure? (ready, ready)
I swear I'd snap out of this. A soul lost and found.
But now I'm sure, and ready, ready
To stop and feel what I've missed. Now it's up to me.

Poisoned with a pill that blocks my ears.
Hearing the secrets that unlock the years.
All those years feeling all that I haven't felt
This numbness is over, all over. It's over (it's over).

A need to bleed.
A need to hurt inside.
Forgive this and bring back my life.
A need to burn.
A need to hurt inside.
Life will return to my eyes.

Am I sure? (ready, ready)
I swear I'd snap out of this. A soul lost and found.
But now I'm sure, and ready, ready
To stop and feel what I've missed. Now it's up to me.

And I will be gracious now.
So bury me.
And bury this alive.
And I will be gracious now, so bury me alive.

Am I sure? (ready, ready)

I swear I'd snap out of this. A soul lost and found.
But now I'm sure, and ready, ready
To stop and feel what I've missed. Now it's up to me.

Am I sure? (ready, ready)
I swear I'd snap out of this. A soul lost and found.
But now I'm sure, and ready, ready
To stop and feel what I've missed. Now it's up to me.
