Is the secret safe there ?
Is it enchained ?
I have been laid down

Like it or not

There were three of them
Free Â- I believed her say so
TragedyÂ's luck invited
In this eveningÂ's dreams

Like it or not

Separated from love and love
Is the highest pain we know
Equal to silence -
Of those useless years

Like it or not

Frightning fascinating
History is left undon
Nothing satisfies
Unless we care of them

Like it or not
