Hear the sound of your voice  
"Everyone's got to make his living"  
Now time has come  
No compromise no more forgiving

You told me i can fly  
I tried to and now i lie  
Deep down 'cause  
You left me alone

The art of love is special, something worth  
remembering  
I feel it for you, i love you and i always do

When i needed you most,  
The man i loved, the man i lost  
Left me alone, when my trust in you  
Just had grown

Don't need to justify  
Don't need to explain  
Your words make me cry  
Always make me rain

The art of love is special, something worth  
remembering  
I feel it for you, i love you and i always do
