I can't get enough  
Since I had this dream  
Can't get enough of love  
I mean - everything  
A glance at you I know  
The sun is smiling  
Shining, golden life  
We had pretty days  
Dancing in the sun  
We had pretty nights  
Holding very tight  
No, noone can undo  
However much they try  
This feeling in my golden heart

Southwards  
Delightful kisses deliciously  
Like it endelessly  
Southwards  
Delightful love in a golden heart  
Never go apart

Easy going life  
Tastes of sweets and ice  
Hello playful days  
Embrace my soul and I  
Come close to heat and cold  
'Cause sun is smiling  
Shining, so do I  
We had pretty days  
Dancing in the sun  
We had pretty nights  
Holding very tight  
No, noone can undo  
However much they try  
This feeling in my golden heart

Southwards  
Delightful kisses deliciously  
Like it endelessly  
Southwards  
Delightful love in a golden heart

Never go apart
