Baby, you ain't a man  
'Cause my heart's in your hand  
Any fool can see  
I love my misery

Bad news  
It's born in my blood  
Bad news

Some live to undo  
Some live to be undone  
The sky is growing dark  
I feed on my own heart

Bad news  
It's born in my blood  
Bad news

Mamma, tell me what is wrong  
Every time I sing a song  
You know I find you on my mind  
Bad news

Whispers of what you've done  
Crazy I bought a gun  
My fingers to your window  
Whiskey's on my clothes

I'm bad news  
It's born in my blood  
Bad news

Bad news
