Tell me what kind of girl is this
Knockin' me down with a kiss
You better watch it now
You don't know what I'm thinkin' about you
About you

You know it won't be long I'm barely hangin' on
You better cross your fingers

I don't know what I caught
Hot nights won't cool my thoughts
Wakin' up till I'm in a fit
Ah Ah Moon ya better quit that's it
Ooh that's it

And it won't be long I'm barely hangin' on
You better cross your fingers
You better cross your fingers

I can't walk and I can't talk

And I can't eat and I can't sleep
Whoa Whoa Whoa Whoa

When you think you're gonna lose
Jealousy the you use
Once more girl I swear it's true
I promise I'm gonna level with you
It's true, ooh it's true ooh ooh ooh ooh ooh
That it won't be long I'm barely hangin' on
You better cross your fingers
You better cross your fingers

Cross 'em up, cross 'em up, cross 'em up
Cross 'em up, cross 'em up, cross 'em up
Cross 'em up, cross 'em up, cross 'em up.
