I can't believe you got that attitude
You've been so cold and rude
Baby, when you gonna give it up
Tell me are we breaking up
I know, what you wanna do
You wanna leave me blue

Chorus:

Dreamer, Dreamer
Dreamer, Dreamer

You've been telling everyone and all
Just how I'm gonna fall
When I do, you gonna be right there
To walk away and show me you don't care
I know, what you wanna do
You wanna leave me blue

(Chorus)

I remember when
She was in my skin
Though it's wearin' thin
She think she's gonna win.

(Chorus)
