There's a queen I know  
Named Maria Laveau  
Livin' in a home  
Made of skin and bone

On bayou teche  
In the tall cane break  
Full Moon she'll be  
Dancin' with a snake

Took a lock of my hair  
Piece of my nail  
Mixed em' all up  
Boiled em' in a pail

Now I can't breath  
I don't sleep  
I can't get  
No relief

My baby took me  
Down a voodoo river  
Break the levee  
Cos' I got to go with her  
Out of my way  
I gotta say  
That strong gris-gris  
Made a mess of me  
Under a spell  
A voodoo hex  
Watch out boy  
You might be next

Baby I don't know  
But some place I read  
She can change her shape  
Be something else instead

Where I kissed her skin  
Something in me died  
All summmer I've been cold

Froze up inside

God knows my past

God know my fate

Pick a number Jack

Gonna have to wait

My nerves are shot

I feel stripped

I ain't no good

My back is whipped
