A life, all wasted on false ideas  
My eyes, I can't see clear

A shadow fell, inflamed my eyes with rage  
Discover the way, to ecstasy  
Imprisoned for eons, in exile from the world  
Unleash the fear

[Chorus:]

Into darkness, searching the truth  
Painful visions, haunting my mind  
Turned into two, insanity's creation  
Moon is rising, filling my body with hate

Awake til dawn, another sleepless night  
It's burning my soul, I'm torn apart  
A vision growing stronger, I see an open path  
It all makes sense

[Chorus:]

Into darkness, searching the truth  
Painful visions, haunting my mind  
Turned into two, insanity's creation  
Moon is rising, filling my body with hate

Stronger here I rise  
Free from all my bonds  
Morbid ways to find revenge  
Creature of the

Night turns to day  
All the fear fading away  
Now, I see it clear, deeper and deeper I fall

[Chorus:]

Into darkness, searching the truth  
Painful visions, haunting my mind  
Turned into two, insanity's creation  
Moon is rising, filling my body with hate

Stronger here I rise  
Free from all my bonds

Morbid ways to find revenge  
Creature of the night

Stronger here I rise  
Free from all my bonds  
Morbid ways to find revenge  
Creature of the night
