What'd you do, what'd you do bartender?
What'd you do to my bottle?
O-o-oh

This was a room full of two's
Now they all look like super models
O-o-oh
Lil momma over there, brown hair,
When I walked in I didn't care
But now she lookin' like Nelly Furtado
It's like whole new world
When I'm looking through my super goggles
O-o-oh, my super goggles

Jägermeister, Kryptonite
Let my bottle hypnotize
I'm so Jimmy Supafly
Super goggles, super eyes
Super cougar hunt me down
Let's go take another crown
DJ spin that record now
Waitress bring me one more round

Take it for me, take it for the team
48 but she looks 18
Her body gyrates, create a scene
Or I just might be seeing things
I don't know what I don't need
Goggles are confusing me
Models are Seducing me
OK, now you're losing me

What'd you do, what'd you do bartender?
What'd you do to my bottle?
O-o-oh
This was a room full of two's
Now they all look like super models
O-o-oh
Lil momma over there, brown hair,
When I walked in I didn't care
But now she lookin' like Nelly Furtado

It's like whole new world
When I'm looking through my super goggles
O-o-oh, my super goggles

It's like I just transported to another world
And now I'm fa-fa-falling in love with all the girls
It's like I just transported to another world
And now I'm fa-fa-falling in love with all the girls

Super Goggles, supper vision
Take me on a super mission
To find a dime or am I wishing
You won't go looking if I go missing
To the dance floor, that's where we're heading
To the dance floor, we both start sweating
To the dance floor, the clothes start shedding
She might be a two, or she might be a seven
I don't know but I feel like I'm beggin'
If she wanna go then I know it's destined
If she wanna roll then we roll to the West then
And I woke up in the morning and I learn my lesson

Jägermeister, Kryptonite
Let my bottle hypnotize
I'm so jimmy supafly
Super goggles, super eyes

What'd you do, what'd you do bartender?
What'd you do to my bottle?
O-o-oh
This was a room full of two's
Now they all look like super models
O-o-oh
Lil momma over there, brown hair,
When I walked in I didn't care
But now she lookin' like Nelly Furtado
It's like whole new world
When I'm looking through my super goggles
O-o-oh, my super goggles

My super go-go-go-go-goggles

What'd you do, what'd you do bartender?
What'd you do to my bottle?
O-o-oh
This was a room full of two's
Now they all look like super models
O-o-oh
Lil momma over there, brown hair,
When I walked in I didn't care
But now she lookin' like Nelly Furtado

It's like whole new world
When I'm looking through my super goggles
O-o-oh, my super goggles

My super go-go-go-go-goggles
