"We Are Waiting"

(Words and Music by Geoff Moore and Goef Barkley)

Chorus

We are waiting, waiting
All of Your people anticipating.
Come hear our plea, we are down on our knees, our
knees.
Oh come quickly Lord, You're all that we need.
Come find your people are waiting.

Verse One

From all across the earth our voices can be heard.
A chorus of the faithful calling to the word.
A hymn of invitation, our humble offering.
Come find Your people are waiting.

Chorus

We are waiting, we are waiting
All of Your people anticipating.
Come hear our plea, we are down on our knees.
Oh come quickly Lord, You're all that we need.
Come find your people are waiting.

Verse Two

With hands into the soil, and hearts toward the sky.
We wait to hear Your call to draw us to Your side.
But 'til that final day may You find us in the fields,
Working with hearts that are waiting.

Chorus

We are waiting, we are waiting
All of Your people anticipating.
Come hear our plea, we are down on our knees.
Oh come quickly Lord, You're all that we need.
Come find your people are waiting.

Bridge

As a mother awaits her baby, all of creation is ready,
For the trumpet to sound and the heavens unfold,
We'll rise from the ground to see You Lord.

All of Your people anticipating,
Come hear our plea, we are down on our knees.

Chorus

We are waiting, we are waiting
All of Your people anticipating.
Come hear our plea, we are down on our knees.
Come quickly Lord, You are all that we need.
Come find your people are waiting.

Chorus

We are waiting, we are waiting
All of Your people anticipating.
Come hear our plea, we are down on our knees.
Oh come quickly Lord, You are all that we need.
Come find your people are waiting.
