The promise of your coming light
It burs so brightly in my mind
and all creation longs and waits
For the dawning of that day

And he will come riding on the clouds
With Justice in his heart
And a sword upon his side

And all will see the glory of this man
With fire in his eyes
He's jealous for his bride

He's faithful to the end
He's faithful to my heart
He's faithful to the end
He will come and marry me
and He's faithful to the end
Hes faithful to my heart
Hes faithful to the end
He will come and marry me

Glory to the righteous one
Glory to the righetous one

He's faithful to the end
He's faithful to my heart
He's faithful to the end
He will come and marry me
