We wait for You, we wait for You  
We wait for You; walk in the room

Here we are, standing in Your presence  
Here we are, standing in Your presence  
Shekinah glory come down, Shekinah glory come down

Release the fullness of Your Spirit  
Shekinah glory come, Shekinah glory come

You move and we want more, You speak and we want more  
You move and we want more; we want the fullness

We want more, we want more, we want more, we want more  
We want more, we want more, more of Your Spirit
