music by Morbid Death  
lyric by Rui Lima

Kill the beast inside  
Jump away and die  
Eternity is alive  
And it was just a kiss of the wind

What am I and how am I?  
There's too much sea to jump  
My wings are weak  
And I have a long flight

Believe, Believe  
Mother God  
Believe, believe  
Mother

There is nothing to drink  
Or nothing to die  
The walls are dark  
There is no door  
Windows of hell

Windows of poor!

Tell me Mother where to try  
A glass of poison or a glass of wine  
There is nowhere, where I am  
Or solutions for what we are

Here and there is the same  
Dead lions  
Forests of rebellions  
Phrases of war  
One government... One world!

Mother, are you still there  
Here everything feels the same  
I keep trying to kill the beast  
And gain courage to jump away
