music by Morbid Death
lyric by VerÃssimo Pereira

Master - excuse me, but I'm weak
Master - excuse me for my sins
Master - your blood I will drink
Master - can't you see I'm suffering

To take a human life
It requires a sacrifice
God sacrificed himself for us
And he died on a cross

Where is paradise?
Humanity is killing the future

Where is paradise?
We'll be lucky if we survive

Master - excuse me, but I'm weak
Master - excuse me for my sins
Master - your blood I will drink
Master - can't you see I'm suffering

This world is dying
No hope we're offering
To the next generation
That to survive it's a complication
In this world of temptations
