[lyric by Ricardo Santos]

Keep your face down
Things are going to fall
Even your crown
Smashed against a wall

They way you are
They way you talk
You think you have
Everyone under your feet

I wish, I'll never be like you
I try not being like you
I'll ear your screams
I'll see your dreams
Going opposite ways

I'll see you crawl
I'll assist you fall
I just want you down
You won't wear no more crown!
